OFFICE OF THE CHIEF RATION CENSUS
OFFICER, DAVANGERE TOWN.

Notification No. 74-43-44, dated
13th June 1944.

**Notification under Rule II of the Mysore Ration
Census Order.**

It is hereby notified for the information of the citizens of Davangere Town, that the following arrangements are made for the distribution of fresh ration cards within the limits of the town.

Distribution of the ration cards will be made between 23rd and 30th June 1944 both days inclusive at the Rationing Office between 9 A.M. to 11-30 A.M. and 4 P.M. to 6 P.M. on each working day.

2. New cards will be available for distribution as noted below.

3. A new ration card will be issued only on surrender of the census acknowledgment. The person in whose name the card issued should sign or affix his or her left thumb print in the space provided on the card and the counterfoil before delivery.

4. House-holders of ration cards who for any reason are unable to appear at the office for giving the acknowledgment and taking the ration cards, may send at their own risk the census acknowledgment and the old identification cards together with a letter requesting that the new card may be handed over to the bearer of the letter. In such cases, the old identification card and the acknowledgment slip will be retained in the office (and on both of which the holder's signature will be necessary) will be handed over to the bearer under acknowledgment. The holder of the ration card should thereupon sign both on the ration card and on the counterfoil and return both parts of the card. Thereafter the counterfoil of the ration card will be retained in the office and the card returned to the bearer. It must be distinctly understood that the office will accept no responsibility whatever for loss or misplacement of ration cards sent through bearers under the above arrangements.

5. A list of ration census counterfoil numbers and the dates on which fresh ration cards will be issued will be displayed in a prominent place at the Rationing Office. All house-holders are requested to co-operate in this arrangement and take their new ration cards in conformity with the local arrangements made.

6. Every house-holder of a current identification card will be entitled to draw rations up to the end of 7th July, 1944, on the existing cards and new cards will be current only with effect from 8th July 1944, unless the rations are otherwise adjusted.

7. As a rule, rations have been allowed for all the relatives as declared by the house-holders except where the number of members declared is found to be exaggerated. Regarding non-relatives diverse claims have been made for friends, guests, servants, cooks, drivers, pujaries, archaks, vokkalagittis, purohiths, wara, bhikshas, etc., as permanent inmates. Such claims have been suitably cut down. Holders of ration cards who for any reason desire to get their cards amended may file an application addressed to the Rationing Officer, Davangere Town, stating their grievances but quoting three numbers (1) their identification card number, (2) the Ration Census number, and (3) the new card number when the matter will be worked into. Whenever a claim is preferred on behalf of a person not related to the head of the family, full particulars have to be furnished in Form No. III hereunder.

8. In every case the existing identification card
and the census acknowledgment will have to be sur-
rendered before the new ration card is issued. If, in
any particular case either of the two is lost, it is for
the house-holder to convince the Rationing Officer
having jurisdiction of the genuineness of the claim and
thereupon, after verifying the old identification card
number and the census acknowledgment number of
the particular person, issue the fresh ration card if the
other particulars agree.

9. The numbers indicating quantity of ration
mentioned in the cards represent "seers" in respect
of food-grains, lbs. in respect of sugar and bottles in
respect of kerosene.

10. Persons who want to change to a depot other
than that through which they get their fresh cards
will have to apply at the Rationing Office.

11. Persons in charge of all establishments will
approach the Rationing Officer, Davangere Town,
for the fresh permits unless expressly permitted by
him to register with any particular depot in which
case they will be available at the depot concerned.

house-holders and persons in charge of establishments
shall cease to be in operation, with effect from the
7th July 1944, in absence of specific orders to the
contrary in any particular case.
